

oSTEM's 8th Annual Conference

Making S P A C E for Everyone

● Houston, TX ● November 15 - 18

Request for Programs

oSTEM is now accepting program proposals for the 8th Annual Conference.

We welcome proposals from all members of the LGBTQA+ and/or STEM community - especially proposals which explore intersections of identities and highlight marginalized perspectives. We encourage our students, sponsors, professionals, and all interested in furthering our mission to submit a proposal!

Program Topics

- Sharing Technical Experiences and Expertise
- Character Development and Expertise
- Intersectional Identities
- Career and Professional Development
- LGBTQA Health and Wellness

Important Dates

Submission Deadline
June 15

Acceptance
Notification
August 11

Benefits of Presenting

- 50% discounted registration for 2 presenters per program
- Direct interaction with LGBTQA+ STEM students and professionals
- Opportunity to influence future LGBTQA+ STEM leaders
- Visibility for your organization or cause
